

IN THE SPECIFICATION:

Please replace the paragraph which begins on page 5, line 6 and which ends on line 14, with the following rewritten paragraph:

However, such application program for customizing service may be later downloaded from the corresponding communication server of the service providers or specific service servers equipped on a communication network, otherwise, may be downloaded from the supervisory server who is the other party of supervisory contract itself on behalf of various service providers. The latter is especially convenient in the event that service providers don't equip application program or exclusive devices for customized service, by which they can also join as service ~~provides~~ providers as well as supervisory companies of supervisory servers can expand their service areas in communication network business.
